

Lamia Stanton

978-502-2139

Experience

2007-present **WebMaster**

Design, implement, and maintain websites for several Boston-area companies

- > Teamwork inspires the websites that I design and build. Brainstorm sessions with my client give me the framework. This invaluable interaction feeds my design and enables me to develop a site that achieves the functionality and vision of my client. Tools include Adobe CS4: Dreamweaver, Photoshop, and Illustrator, Google Analytics, Firebug Page Speed.
- > My website: lamiakaren.com features my portfolio of websites, photography, and print work.

2008-2009 **Copy/Graphics Consultant**

CreativeOne Direct, Inc., Westford

- > Copy editing and graphic editing using Adobe CS3 Products: InDesign, Photoshop, Bridge, and MSWord 2007. CreativeOne Direct relocated to Nashua NH in 2009 as Inspired Direct, LLC.

1983-1987 **Software Engineer**

Program/consult for several Boston-area companies:

- > CSC Consulting, Newton: Staff Consultant placed at The Boston Company. Responsible for design and development of a portfolio management system, including domestic and foreign securities. Functioned as both the team leader and senior technical contributor. Responsible for assigning work and performing reviews for six consultants. Pascal on Compaq 386 PC (DOS), Novell LAN, Dbase III.
- > Crown Systems, Westford: Software Engineer. Developed customizations and enhancements for various components of small business office automation software including accounting, payroll, and wholesale distribution systems. PC Based.
- > Computervision/Prime, Bedford: Software Engineer. Developed and ported Oracle based CIM products from VAX to IBM. Installed product in several client sites worldwide. Oracle, IBM, DEC.
- > Epsilon, Burlington: Application Programmer. Database, Fortran, IBM.

Skills
